
2022 International Conference on Advanced Materials and Equipment Manufacturing (AMEM2022)

Invitation Letter

Organized by

International Association of Applied Science and Technology (IAAST)

To whom it may concern,

2022 International Conference on Advanced Materials and Equipment Manufacturing (AMEM2022) is organized by International Association of Applied Science and Technology (IAAST) and will be held during February 17-18, 2023 in Nanjing, China.

AMEM2022 is a technical congregation where the latest theoretical and technological advances are presented and discussed. We sincerely invite researchers and scholars around the world to attend the conference to present and discuss recent innovations, trends, concerns, practical challenges encountered and the solutions adopted in the field of advanced materials and equipment manufacturing, and gain inspiration to facilitate novel breakthroughs.

Herewith, on behalf of Organization Committee of AMEM2022, we are pleased to invite:
